5 - What skills or knowledge did you learn or improve from this instructor?

Daniele Caratelli

Response Rate 6/93 (6.45%)

- help with my econ work
- Mostly the sections were just reiterating the information in lecture, but they weren't always the exact same methods which was helpful, but I got the sense that the TAs didn't really know how Scott would explain things in lecture so this wasn't always the most effective.
- Daniele did a great job of explaining the concepts that we were supposed to be learning that week, and answering any questions we as the students had.
- Daniele helped clarify confusing questions and concepts from lecture during his section.
- N/A: I didn't do well in this class due to depression so I don't have comment.
- Daniele was very helpful while doing practice problems and explaining the logic of the material

6 - What aspects of this instructor's teaching were most helpful to you?
